

December 2022 - A special issue 17(4)

This special issue of *Nordicum-Mediterraneum*, 17:4 (2022), contains articles based on five lectures that were delivered at a conference held on the occasion of Mr. Ólafur Ragnar Grímsson being awarded an honorary doctorate in the field of social sciences by the School of Humanities and Social Sciences of the University of Akureyri on September 30, 2022. The articles are in Icelandic, but there is a short overview and introduction in English for each of them in the introductory section. You can access the articles by clicking [here](#).
